ATHLETE INFORMATION:

SWIM TEAM IS FOR 6TH GRADE (11 YR OLDS)- 12TH GRADE

The 6TH AND 7TH grade athletes are required to attend practices and two meets, the first and last meet with Owen are required, unless you inform coach ahead of time. They have opportunity to swim at all Owen meets.

The 8TH- 12TH grade athletes are REQUIRED TO ATTEND PRACTICES AND MEETS, unless you inform coach ahead of time.

We understand that families have busy schedules, and we want to make it possible for athletes to participate even if they cannot attend every practice or meet. Our expectation is simply that athletes make an effort to attend **as many practices and meets as their schedules allow**.

At the beginning of the season, each family will have an opportunity to **let the coaches know their expected availability for the season**. Please keep us updated if your availability changes.

As long as you communicate with us about when your athlete will be able to attend practice, we are happy to have them participate on the team. **However, if we do not hear from you, we cannot guarantee that your athlete will be entered in meets or events.**

Our goal is to keep communication open so that we know who will be in the water and can plan practices and meet entries accordingly. Thank you for helping us make this season run smoothly!

TRYOUTS Note:

Athlete MUST BE ABLE TO SWIM 25 yards to be on team.

Athlete needs: one piece swim suit or swim shorts, goggles, water-bottle , towel and change of clothes.
